

# MACK

Build your future

The rock-solid choice for builders

## DRIVEN BY OUR CORE VALUES

**MACK** delivers **professional hardware and smart solutions** that help build, repair, and upgrade every project. We provide the **highest level of quality** and reliability to ensure the success of any construction job. Our product development is driven by three core values at the heart of our DNA: **Quality, Innovation** and **Convenience**.

# MACK

### Quality

Reliable, durability-tested materials engineered to last for years, whether you're working at home or on the jobsite.

### Innovation

Smart solutions, modern packaging, and colors designed to fit the way today's builders work and repair.

### Convenience

Smartly structured ranges, clear guidance, and all-in-one concepts that simplify finding, and choosing the right solution.

# WE BUILD YOUR FUTURE

We work **step by step** toward more sustainable materials, packaging, and solutions. From longer-lasting products to reducing plastic: every improvement counts. By placing **sustainability** and **inclusivity** at the heart of what we do, we're building a future where **MACK** not only delivers products, but also creates a positive and lasting impact.

## Wood Connectors

**MACK Wood Connectors** provide reliable, strong, and durable joints **for every wooden construction**. They install smoothly, fit perfectly, and deliver a clean finish with **optimal stability** and long-lasting quality.

**Discover the full concept on p. 16**

## Brackets & Shelf Supports

**MACK Brackets and Shelf Supports** provide a strong **foundation for any wall-mounted solution**. Their robust design and **high load capacity** allow them to support everything from light setups to heavy installations with ease. They are easy to install, offer maximum stability, and deliver a clean, streamlined finish for a professional look. A durable and functional choice **for any space**.

**Discover the full concept on p. 16**

## Masonry Tools

Reliable **Masonry Tools** are essential for a clean, durable finish on the job site. With **ergonomic handles** and wear-resistant materials, you can work comfortably, accurately, and efficiently. Every **MACK** tool is built for intensive use and is ideal for **professionals** who want to combine craftsmanship and efficiency in every masonry project.

**Discover the full concept on p. 17**

## Wheels & Castors

Our range of **MACK Wheels and Castors** offers the right solution for every application. Choose from **wheels for universal, soft, or hard floors** and match the load capacity perfectly to your project.

**Discover the full concept on p. 17**

## Drill Bits

High-quality **Drill Bits** are essential for every project. They deliver **fast, precise results in wood, metal, and stone**. Thanks to their strong cutting performance and wear-resistant materials, you work more efficiently and achieve a cleaner final result. Whether you're handling fine finishing work or heavier applications, **MACK Drill Bits** consistently provide reliable performance. Perfect for anyone seeking power, precision, and durability in one.

**Discover the full concept on p. 15**

## MultiFlex

Create shade, style, and privacy in your garden or around your home with **MACK MultiFlex shutters**. Whether you want to reduce visibility, block an unpleasant view, or simply add an aesthetic touch, MACK MultiFlex offers an **elegant solution**.

## Latches & Hinges

**MACK Latches and Hinges** form the foundation of a **strong gate or door installation**. Their robust finish and wear resistance ensure long-lasting, safe use. They are quick to install and provide stable, smooth operation. A practical choice for anyone who prioritizes functionality and reliability.

**Discover the full concept on p. 18**

## Magnets & Suction Hooks

The powerful **MACK Magnets** and sturdy **Suction Hooks** allow you to hang accessories, towels, tools, or notes quickly, flexibly, and **without causing damage**. Ideal for the kitchen, bathroom, or workshop.
